

Pony Truss Bridge Rutledge Road over the Munuscong River

County: Mackinac

City/Township: Marquette Twp.

Location: Rutledge Road over the Munuscong River

Year Built: 1914

About this bridge:

This bridge is the only known surviving example of a pony truss bridge built in Michigan by the Central State Bridge Company of Indianapolis, Indiana. With a main span of 81 feet, it is also among the longest known surviving Warren pony truss bridges in Michigan, since only fifteen percent of the total exceed eighty feet.
